

UPDATE

URGENT: MEDICAL DEVICE VOLUNTARY RECALL

CERTAIN LOTS of TRUEread®, TRUEbalance®, TRUEtrack® and TRUEtest® BLOOD GLUCOSE TEST STRIPS

September 29, 2016

Dear Valued Customer:

The purpose of this letter is to provide additional information related to a voluntary product recall announced June 28, 2016 by Trividia Health, Inc., formerly Nipro Diagnostics, for a limited number of TRUEread®, TRUEbalance®, TRUEtrack® and TRUEtest® blood glucose test strip lots distributed in the United States.

The company has determined that certain isolated TRUEread, TRUEbalance, TRUEtrack and TRUEtest blood glucose test strip lots packaged during a specific timeframe, may include open test strip vials within the sealed test strip boxes. Test strips contained within strip vials that remain open for long periods are exposed to the outside environment, which can affect test strip performance. If a user does not notice an open test strip vial upon opening the sealed test strip vial box, and then uses the test strips to measure blood glucose, the meter may provide incorrect low blood glucose results.

There are 6 affected TRUEread vial lots, 56 TRUEtrack lots, 30 TRUEbalance lots and 160 TRUEtest lots that were packaged from April 16, 2015 thru July 30, 2015 for sale in the United States.

We have not received any reports of patient injuries related to this voluntary recall.

ATTENTION:

Concurrently, all TRUEresult and TRUE2go meters and TRUEtest test strips have been DISCONTINUED as of June 1, 2016. GDH-PQQ enzyme-based meter systems are known to have the potential for inaccurate results due to interference. Trividia Health has discontinued these meter systems in the United States and US Territories due to this potential for inaccurate results. All users and patients who use the TRUEresult and TRUE2go meters and TRUEtest strips should discontinue use immediately. For healthcare professionals, pharmacists/DME providers, and distributors, please ask your patients and customers to discontinue use of their TRUEresult meters, TRUE2go meters and TRUEtest test strips immediately.

Please refer to the following webpage for more important safety information regarding these products:

http://www.trividiahealth.com/global/important_safety_info.aspx

All patients and users should call Stericycle toll-free at 1-888-835-2723. Stericycle will arrange return of your TRUEtest strips, and if you have not yet received your upgrade to one of the NEW TRUE METRIX® Blood Glucose Systems through your retailer or diabetes supply provider, Stericycle will UPGRADE you for FREE to the NEW TRUE METRIX® Blood Glucose System or the new TRUE METRIX® AIR Blood Glucose System with Bluetooth Smart® Technology so that you can continue your usual testing routine.

TRUE METRIX® Systems are brought to you by Trividia Health, the same manufacturer of your TRUEresult® and TRUE2go® Systems. Featuring TRIPLE SENSE TECHNOLOGY®, the TRUE METRIX® portfolio of blood glucose systems provides proven accuracy and confidence in results and offers advanced performance testing features to help you more confidently monitor and manage your diabetes.

For the TRUEread, TRUEtrack or TRUE balance systems, replacement test strips are available at no charge by following the instructions provided below:

- People with Diabetes: If you are using a TRUEread, TRUEtrack or TRUEbalance System, determine whether you have any affected lots by obtaining the test strip lot number printed on the side of the test strip box or on the test strip vial label or by obtaining the meter kit lot number printed on the side of the TRUEread, TRUEtrack or TRUEbalance kit box. Then visit www.trividiahealth.com/product-notice or call Stericycle toll-free at 1-888-835-2723 to determine if you have affected product. If you have any affected product, please call Stericycle to verify the lot number and expedite return and replacement of test strips at no charge to you. You may continue to use test strips under the TRUEread, TRUEtrack or TRUEbalance brands for lots not included in this voluntary recall. Only use test strips that are intended for use with your meter.
- <u>Health Care Professionals</u>: Determine whether you have any affected TRUEread, TRUEtrack, TRUEbalance or TRUEtest lots in inventory by examining the test strip lot number printed on the test strip outer case/shipper label, on the side of the test strip box or on the test strip vial label. Examine your meter kit lot numbers printed on the meter outer case/shipper label or on the side of the meter kit box. The affected lot numbers are provided in the attached Appendix. If you have product with these lot numbers please return the product immediately. Please contact **Stericycle toll-free at 1-888-835-2723** to expedite return and replacement. Please advise any patients with recalled product to contact **Stericycle toll-free at 1-888-835-2723**.

Patients who use TRUEread, TRUEtrack or TRUEbalance products may continue to test blood glucose using any lots not included in this voluntary recall. Patients should only use test strips that are intended for use with their meter.

• <u>Pharmacists/DME Providers</u>: Determine whether you have any affected TRUEread, TRUEtrack, TRUEbalance or TRUEtest lots in inventory by examining the test strip lot number printed on the test strip outer case/shipper label or on the side of the test strip box. Examine your meter

kit/prepack lot numbers printed on the meter/prepack outer case/shipper label or on the side of the meter kit box. The affected lot numbers are provided in the attached Appendix. If you have any product with these lot numbers, return the product per your normal return procedures. Please advise any patients with recalled product to contact **Stericycle toll-free at 1-888-835-2723**.

Patients who use TRUEread, TRUEtrack or TRUEbalance products may continue to test blood glucose using any lots not included in this voluntary recall. Patients should only use test strips that are intended for use with their meter.

If you receive inquiries from healthcare professionals or users of TRUEread, TRUEtrack, TRUEbalance or TRUEtest test strips, please have them call **Stericycle toll-free at 1-888-835-2723**.

• <u>Distributors</u>: Determine whether you have any affected lots of TRUEread, TRUEtrack, TRUEbalance or TRUEtest test strips in inventory by examining the test strip lot number printed on the test strip outer case/shipper label or on the side of the test strip box. Examine your meter kit/prepack lot numbers printed on the meter/prepack outer case/shipper label or on the side of the meter kit box. The affected lot numbers are provided in the attached Appendix. In addition, please notify your customers of this voluntary product recall. Request that they return TRUEread, TRUEtrack and TRUEbalance products with lot numbers identified in this voluntary recall and use your normal return procedures. Once you have received all affected product to be returned, please call **Stericycle at 1-888-835-2723** to obtain prepaid return labels.

The voluntary recall and product discontinuation are being conducted with the knowledge of the Food and Drug Administration. Please complete and return the enclosed response form as soon as possible via fax at **1-888-237-5582** or email to **trividia4766@stericycle.com**. If you have any questions, please call **Stericycle toll-free at 1-888-835-2723**.

Patient safety is a top priority at Trividia Health and we apologize for any inconvenience this voluntary recall may cause you.

Sincerely,

Gregg Johnson Senior Vice President, North America

MEDICAL DEVICE RECALL RETURN RESPONSE Acknowledgement and Receipt Form – Response Required CERTAIN LOTS of TRUEread®, TRUEbalance®, TRUEtrack® and TRUEtest® BLOOD GLUCOSE TEST STRIPS

Yes No	id the recall instruction	ons provided in the J	une 28, 2016 le	tter.
Any adverse events assoc	iated with recalled pro	oduct? Yes No_		
If yes, please explain:
